

Southern Lancaster County Farmer-Sportsmen's Association Rules Enforcement Policy – Revision 8

It is the responsibility of the membership to know and follow the Association's rules and regulations. These rules are described thoroughly during new member orientation and are printable from the website in the members-only section entitled Forms/SOPs.

Any inappropriate or unsafe actions while on Association property or at club functions may result in a person being asked to leave. Specific protocol for members in dealing with unsafe actions of others' is outlined in the General Association Policies, including the need to fill out an Incident Report; this Report is printable from the website in the members-only section entitled Forms/SOPs. As well, Board contacts are listed in each message board on the ranges for immediate phone contact.

For the safety and well-being of all members, invited guests, spectators, event participants and the community, infractions of any and all rules are taken seriously. Every infraction is detrimental to the safety and well-being of the membership.
